70.	Sorghum fruit cake#	25D	93.	Multimillet eggless muffins	30D
Category IV: Rs. 1,00,000/-					
94.	Barnyard millet gluten-free vermicelli	6M	98.	Barnyard millet gluten-free noodles*	4M
95.	Kodo millet smart rice*	6M	99.	Protein-rich jowar muesli	5M
96.	W.Wheat Multimillet sugar-free bread#	7D	100.	Sorghum mil-day biscuits	4M
97.	Sorghum sugar-free cookies (less fat)	6M	101.	Barnyard millet gluten free pasta	5M

Incubated startups can use the facility for common facility centre, Nutrihub for production. Technologies with asterisk (*) can be licensed but cannot be manufactured at CFC, Nutrihub. Technologies with hash (#) can be manufactured at CFC at limited quantities ~25kg/day

Licensing Fees

1. License fee is chargeable per technology as per the category
2. If technologies are licensed in a bunch, a discount is offered as follows: a). 2-3 technologies - 15%
b). 4-5 technologies - 20%
c). 6 -10 technologies - 25%
d). More than 10 technologies – 30%

Technology Licensing includes a package of

- Training of the licensed technology for 1 or 2 representatives
- Technology Docket
- Details of Machinery, Specifications, Suppliers etc.
- Nutritional Profile (Proximate composition) and shelf life.

Note:

- Expression of Interest of registered firm with list of interested technologies is to be submitted to Dr. Amasiddha B, Scientist ITMU at amasiddha@millets.res.in and stanley@millets.res.in
- An email reply with draft Memorandum of Agreement (MoA) will be send by the nodal officer, ITMU which is to be signed by both the parties on agreeing with the terms and conditions.
- MoA will be made for three (3) years.
- Entrepreneurs / Start-ups/ Processing firms etc. for Consultations/incubation support can write to stanley@millets.res.in for appointments from Monday to Friday.
